

VIVREAU TOP 15

A COMPACT AND PREMIUM SOURCE OF EXCELLENT BRITA-FILTERED WATER.

BRITA continues its tradition of excellence with its new VIVREAU Top 15 solution. The filtration experts have channelled over 50 years' experience into a premium-quality system – with a capacity scaled to small-business needs, and a space-saving footprint ideal for confined hallways and kitchenettes.

VIVREAU Top 15 makes no compromises. It features a unique combination of the CLARITY Taste 50 filter, a state-of-the-art safety system, and BRITA's Thermal-Gate™ hygiene feature. The result is a highly versatile, reliable and compact solution designed especially for the needs of small businesses and individual departments.

OPT FOR CLEAN. OPT FOR GREEN.

At BRITA we have always cared about the environment. Our philosophy is to provide the best quality water from the most local source, eliminating the need for costly and polluting transportation and packaging. The installation of a BRITA water dispenser has an immediate impact on your ecological footprint.

THE BENEFITS TO YOU

- Unique combination of ThermalGate™, CLARITY Taste 50 filter and leakage detection system
- Cooling capacity tailored to lower consumption needs
- Proven cost savings and environmental benefits compared to bottled water
- Unique ThermalGate™ hygiene feature as standard
- Pre-programmable portion setting and water temperature
- Optional customisable base cabinet for floorstanding models
- Enjoy unchilled still, chilled still or chilled sparkling water

HYGIENE CONCEPT

BRITA's unique ThermalGate™ feature protects against contamination from external sources. It automatically heats up at 90 minute intervals to thermally disinfect the dispenser tap.

CORRESPONDING ACCESSORIES

BRITA Wave bottles are the perfect match for VIVREAU Top 15. Wave is available in glass or a fracture-resistant, high-quality BPA-free plastic, and is ideal for employees and guests alike. Both Wave and the optional base cabinet can be customised, e.g. with a company logo, to raise brand awareness.

QUALITY AND SAFETY

The food-grade quality and safety of BRITA water filter products is tested and verified by independent institutes. The VIVREAU Top 15 dispenser is certified to KTW, ACS and TIFQ. Additionally, the CLARITY Taste 50 filter has NSF 42, plus KTW, ACS and TIFQ certifications.

KTW tested* **ACS** conform

Product compliant to Reg. EC No 1935/2004

*applies to all materials in contact with water.
